Dear Valued Client,

All of us at L&A wanted to wish you and your family a healthy and prosperous New Year.

We are pleased to announce that we have relaunched the L&A website and we encourage you to visit us at [LavinAndAssociates.com](http://LavinAndAssociates.com) to access questionnaires and review important information which will facilitate the preparation of your 2013 Income Tax Return.

We are also introducing a new program called *Inspire*, which offers a **25% Discount** and other rewards for each **new** client you refer to L&A. Please be sure to visit our website for further details.

Due to the continued success of our **Financial Audit Program**, we are encouraging all of our clients to take advantage of this free service which includes a review of your entire investment portfolio. To participate in the program, simply provide us with your latest investment statements when you come in for your tax appointment.

We also want to confirm that **Fast Check** and **Fast Check Direct Deposits** will be available for all qualified clients. **Fast Check** refunds are normally paid in ten to fourteen days and allow you to deduct your tax preparation fee directly from your refund.

Please be sure to visit the new website at [LavinAndAssociates.com](http://LavinAndAssociates.com), like us on Facebook, and follow us on Twitter. Ask one of our associates about our social media promotions going on through 2014.

We look forward to seeing you soon.

Sincerely yours,
